December 4, 2013

The work session of the Kingsville Township Trustees was called to order by Doug Reed, Chairman, followed by the pledge of Allegiance.

CORRESPONDENCE: None

PUBLIC COMMENTS AND CONCERNS: None

OLD BUSINESS: 1) The trustees questioned the numbers that were received by the Ashtabula County Auditor's office for the balance starting in January 1, 2014. Dennis Huey will contact them to ask how those numbers were projected. 2) Neal Stewart, Fire Chief, reported that Monroe Township had accepted the 5 year EMS/FF agreement with Kingsville Township. 3) Neal reported on the dispatching matter. The Ashtabula County Sheriff's Department will be dispatching for Kingsville. They will be charging \$6,000.00 per year. They have not increased their dispatching for 5 years. Monroe has also decided on the sheriff's office. Sheffield and North Kingsville were given 10 days to get back to Neal on if they wanted to go with the sheriff also and did not hear from either. Sheffield went with Saybrook at a cost of \$8,500.00 for the first year and a \$500.00 per year increase. It will cost about \$1,000.00 to get our 7 digit emergency number tone frequency into the sheriff's system. 4) Unit #619 is back in the shop for brake problems. They cannot plug the unit into the computer to diagnose the problem because it is over 15 years old. So they will need to try different things until the problem is resolved. It is at Bob Fernando.

Wish List for 2014:

Darrell Ensman asked the fiscal officer to add to next regular meeting agenda to change the meeting scheduled for December 25, 2013.

With nothing else to discuss Dennis Huey made a motion to adjourn the meeting. Darrell Ensman seconded; all yes.
