

WORK SESSION

July 6, 2017

Work Session to discuss inventory of equipment and personal property on July 6, 2017.

Karl Brunell called the Work Session to order at 7:01 PM.

Pledge of Allegiance

Present: Karl Brunell, Darrell Ensman, Dennis Huey and Neal Stewart.

Those present discussed options for a Loader, Rubber tire back hoe. Neal brought purchasing a Kubota Mini Excavator. He said there is a 2014 Kubota KXo80-4 with about 500 hours on it for sale in Hermitage PA for \$81,500. The trustees advised that we would also need to purchase a trailer to haul the excavator around and that the cost might be \$9,000 to \$10,000. Dennis asked Neal about if a Class A CDL would be required to transport the excavator and trailer and he said no. Karl said that we need to be flexible with regard to equipment.

He further said that we could even use the road grader to plow snow if necessary. Neal told Karl that the road grader never had a plow on it. Dennis advised that we should be able to try out the excavator to be sure that it would meet the need of the township. Neal indicated that the owner has other parties interested in buying it. The salesman agreed to rent the unit to the township for 3 weeks at a cost of \$3,150 and that should we buy the excavator, they would take that amount off the purchase price. The owner is Mr. Power Equipment in Hermitage, PA.

Motion to adjourn was made by Dennis Huey, seconded by Darrell Ensman. All voted aye. Motion carried.
