

Fact Sheet: **HOMETOWN HEROES**

The Details . . .

Kingsville Township is proud to offer the **Hometown Heroes Banner Program** where sponsors can have a banner created in honor of a local veteran for a **\$200** donation. The donation will be used to cover production and hardware costs. The banners will be approximately **24" x 48"** and display the veteran's **photo, name, rank, and branch of service - Army, Navy, Marine Corps, Air Force, or Coast Guard** - along with the sponsor's name.

Applications are available on our [website \(Kingsville Township Hometown Heroes Application\)](#).

Sponsors will need to supply a high-resolution photo. Digital photos must be in **JPG, PNG, or TIF** format.

Banners will be shown prominently in town from **Memorial Day** until **Veterans Day** and available for sponsors to take home when not on display.

Thank you . . .

Gail Urch, resident and fire department employee, for bringing this program to our attention and providing us detailed information.
